

## Ewa Firsowicz – Vita

*Ewa Firsowicz was born in 1974 in Poland. At the age of nine she moved with her mother to West-Berlin, where she still lives today.*

*She had the opportunity to gather her first experience on stage as the vocalist for various bands already during high school.*

*During the years 2000 to 2004 she recorded several Pop and Jazz interpretations and performed them in clubs in Germany. From 2004 to 2006 she dedicated her time mainly to working as a drama educator (for amateur theater groups).*

*Inspired by Ewa's expression and voice, Jan Treuner (author; lyrics, vocals, producer for GRUENANLAGE.COM) wrote the lyrics for the first solo album „Songs für einen Nachmittag“ (Songs for an Afternoon) in the year 2007.*

*In 2008, the album, which was composed, recorded and produced by Marcel Weller (guitars, song/sound producer for GRUENANLAGE.COM), was released online. Numerous gigs in Berlin clubs followed. In the same year; representative for Germany, the online music platform „Jamendo“ chose the track „In Bewegung“ (In Motion) from the album „Songs für einen Nachmittag“ for international presentation.*

*In 2009, again in cooperation with Jan Treuner and Marcel Weller; Ewa is presenting her second solo album „Das Meer“ (The Ocean).*
